

How Does BNW Spend its Money?

When birds enter our Rescue & Adoption Program, they are immediately taken to an avian vet for a check up, blood work, vaccinations, etc.. These medical expenses are quite costly. The birds also require food , toys, cages & more.

In addition, we pay for office supplies printing our monthly newsletter, postage, fliers and other items. We often have to pay for booth space and signage at public events.

Where Does BNW Get its Funding?

We are a non-profit organization and rely heavily upon your donations. Our adoption fees and fundraisers also augment our income. We are an all-volunteer organization with no paid staff. All donated funds are used to further our education and/or adoption efforts. With all of our costs, it is always a struggle to balance our books. Your monetary donation would be greatly appreciated!

How Can I help?

You can join Beak n' Wings, volunteer, foster a bird or donate. Many of us are doing it all. With your help we can make a difference and continue to save birds' lives.

BEAK N' WINGS

Educational Pet Bird Club Rescue / Adoption

Beak n' Wings is an educational pet bird club which promotes the education of its members and the public on the physical and psycho-social needs of companion birds.

We are a 501 (c)(3) non profit organization committed to providing a safe haven for homeless exotic birds, including proper veterinary care, nutrition, socialization, physical & mental stimulation, and clean, spacious living areas.

Space is not only provided in our homes, but in our hearts.

What is Beak n' Wings?

We are an educational pet bird club with an active exotic bird rescue & adoption program.

Beak n Wings educates the public on proper bird care at various events around the metro area. We are a NO KILL SHELTER.

Beak n' Wings meets the 2nd Monday of each month at PETCO, 95th and Quivera (across from Oak Park Mall), from 7-9 pm, unless otherwise posted in our newsletter

Can I Adopt a Bird?

Beak n' Wings club members are given first choice to adopt our rescue birds. If the 30-day quarantine period is over and no member has applied to adopt a bird, we open adoptions to the public. We often take adoptable birds to public events, maintain a listing of available birds on our web site:

www.beaknwings.org/rescue1.html

A copy of the adoption application is available for download there, or you can call 913-322-3398 - 1-866-549-BIRD for more information.

What states do you adopt birds in?

Beak n Wings, can be found in the following states: Kansas City Metro area, Texas, Arkansas, soon to open in the Springfield, Joplin Missouri area.

We are always looking for foster homes in the areas in which we re-home our feathered friends. You can go to www.beaknwings.org to find out more about us.

Where is Beak n' Wings' Facility?

We are a foster home-based organization. All our birds are housed in members' homes. We hope to acquire a facility in the future. We have a shelter license from the State of Kansas, reviewed 2 times a year.

Where Do You Get the Birds?

Owners surrender birds to Beak n' Wings for a wide range of reasons, including new baby in the family, moving away, and allergies; as well as behavior problems such as screaming, biting, feather-plucking, etcetera.

Can I Foster a Bird?

You are required to be a member of Beak n' Wings & submit a foster application. (The form is available for download at: www.beaknwings.org/howwork.html.)

We must also perform a home study evaluation, and you must have a room in which to quarantine your foster bird for at least 30 days. Most of all, to foster a bird, you must have a lot of LOVE & TIME to give.

Beak n' Wings provides all veterinary care. We will also educate you on how to care for your bird. You will need to feed, water, clean cages and supply toys as needed.

Beak n' Wings can rescue only as many birds as we have homes for.
